

# EXPRESS DELIVERY PRODUCTS GUIDE

2025

ARROW  
GROUP

formetiq®

MH METALICON®

# formetiq®

Our Formetiq® range of office furniture includes: desking, height adjustable desks, meeting and conference tables, acoustic screens, storage, task and meeting chairs and more.

# narbutas

Narbutas design and manufacture durable and functional furniture for the modern workspace. As Narbutas' largest accredited partner-distributor, we bring unique product expertise and unrivalled service to every project.

# ML METALICON®

Our Metalicon® range of ergonomic accessories includes: static and dynamic monitor arms, CPU holders, cable management and a choice of power modules: on-surface, in-surface and under-surface.

**FREE DELIVERY**  
on Metalicon® products\*

Work happy. Work well.  
**Join our dealer network**

Arrow stock and sell three brands of workspace furniture and accessories exclusively to the trade so we never compete with our dealers.

Your business is our business, so we strive to provide you with sales leads and extensive support. Some of our sales and support staff come from a dealer background, so we can empathise with your challenges.

### GUARANTEED RESULTS

Arrow Group now offer a 10 year\* manufacturer warranty on Formetiq® and Metalicon® products within this Express Delivery Guide.

Narbutas offer a 10 year\*\* manufacturer warranty on some of their products.

### REASSURING QUALITY

As well as being incredible value for money, all Formetiq® and Metalicon® products conform to relevant European or British manufacturing standards.

All our timber products are Rainforest Alliance, FSC or similarly accredited. The majority of our Metalicon® packaging is made using plastic-free recycled materials, look out for the Ocean Friendly logo on our accessories products when they arrive.

## CONTENTS

### DESKS

Bench Desking	04–09
Cantilever Desks	14
Height Adjustable Desks	10–13
Panel Leg Desks	14

### TABLES

Meeting Tables	15–17
----------------	-------

### STORAGE

MFC Pedestals	18
Steel Pedestals	19

### SEATING

Task Chairs	20–29
Meeting Chairs	30–35

### ACCESSORIES

Cable Management	40–43
Cables	49
Computer Mounts	50–51
Monitor Arms	36–39
Power	44–48

\* Terms, conditions and exclusions apply. \* 5 years on stacking chairs, seating components including controls, adjustable and height adjustable mechanisms, gas lifts and electrical items.

\*\* 5 years on drawers, sliding and tambour doors, work surfaces, foam parts, upholstery materials (fabric, textile).

### TRY OUR INSTALL TEAMS

Did you know Arrow Group have our own full time directly employed installation teams? Highly trained and skilled, we offer a comprehensive service including installation of other manufacturers' products alongside our own. For an effective solution to eliminate third parties and extra suppliers, why not ask us for an install quote on your next order?

## Ready to go!

Did you know we have up to £10 million of stock in our own warehouses all available to you for express delivery, mostly on our own vehicles?

**This handy guide makes it easy for you to select products required rapidly or on a guaranteed delivery date – our warehouse team love hitting a deadline!**

Look out for this blue logo for product specific lead times. Sometimes we may even be able to deliver next day – just ask our amazing business support team!

Contact our team today to discuss your requirements:

## FEATURES

**3 stage holeless square columns with twin motors**  
Stable frame design with cross beams

**Width adjustment: 1100–1900mm**  
Desk frames will accommodate a range of desktop sizes and styles

**Scoop back desktops allow for cable management**

**Height range: 580–1230mm**

**Fast and smooth height adjustment - no juddering**  
Motor speed: 38mm/s

**Max. load: 125kg**

**Programmable control panels**  
3 height memory presets, digital height display and reminder timer function

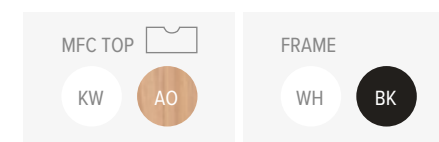

**Ultra-quiet motors (lower than 50dB)**

**Advanced anti-collision system with adjustable sensitivity prevents contact with objects beneath desk during height adjustment**  
If an obstacle is detected the motor instantly stops and reverses

**Adjustable shared cable tray with sliding lid (optional)**

EP700	700mm high pole		White (WH) / Grey (SV) / Black (BK)	23
KMC1827	Low profile mini clamp		White (WH) / Grey (SV) / Black (BK)	15

## FEATURES

Monitor arms for 1, 2 or 4 screen setups

Easy to install, no tools required

Quick release removable VESA mounting plates (75mm/100mm) slide effortlessly onto Kardo arm with fixing clips to hold screen(s) in place

Quick release height adjustment

Integrated cable management keeps the workspace clear

Includes pre-assembled hand-turn desk edge clamp plus through-desk fixing option

Low profile mini clamp option (requires hex/allen key)

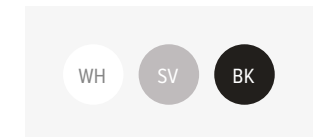

Quick release universal laptop holder option

Tool rail mounted arm option for single screen display

Brighten the workspace with an integrated flower holder in the pole

Inverted single arm available to convert existing single arm to twin/dual

Certified to: BS EN ISO 9241 Workplace Ergonomics & PP 045 Safety and Durability

# Duro

Heavy duty monitor arms

DELIVERED IN  
3-5 DAYS 

## FEATURES

Monitor arms for 3 or 6 screen setups

Removable VESA plates

48mm pole and extra heavy duty hinged support arms

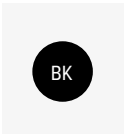

Through-desk and desk edge clamp options

Supports up to six 10kg monitors  
up to 24" in screen size\*

Certified to: BS EN ISO 9241 Workplace Ergonomics  
& PP 045 Safety and Durability

# Linx

Magnetic cable management spine

DELIVERED IN  
3-5 DAYS

## FEATURES

Limpet magnetic fixing makes desking installation quick and easy

Mount Linx anywhere on cable tray or desk frame

Alternative multipurpose fixing clamp

Mount to cable tray, wire basket or desktop

Dual cable compartments (30mm x 25mm)

Patented 'twist not pull' linking system ensures the vertebrae will never pull apart under tension, but will detach very easily when twisted sideways

Choose from different lengths for fixed height or sit/stand desks or without the base for use between cable trays on sit/stand benches

Linx Limpet fixes the spine to cable trays or desk frame with a magnet. The spine can be easily relocated if required.

Segregated power and data cables

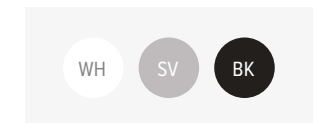

Large stable base

Weighted base with dual cable exits

Incredibly easy to adjust position and length and insert cables

Meets BS 6396 standard

CODE	DESCRIPTION	HEIGHT	FINISH	RSP (€)

# T1 CPU Holder

## FEATURES

Designed for mid tower CPUs, adjustable for other sizes

Spring-loaded pin to adjust height easily

Security bars prevent CPU falling from holder

Mount to desktop or side panel

Optional slide & turn kit and desk beam clearance kit

Certified to severe structural standards  
Test Method PP 050: 2009 - Severe Use

# T2 Mini CPU Holder

## FEATURES

Designed for mini tower or SFF CPUs, adjustable for other sizes

Spring-loaded pin to adjust height easily

Security bars prevent CPU falling from holder

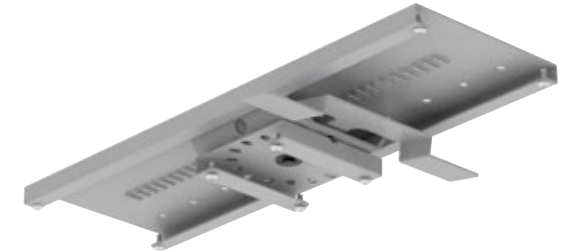

Mount to desktop or side panel

Optional slide & turn kit and desk beam clearance kit

Certified to severe structural standards  
Test Method PP 050: 2009 - Severe Use

DELIVERED IN  
3-5 DAYS

## SLIDE & TURN KIT (CHUST)

Allows easy access and repositioning of CPU

Locks in position to prevent unwanted movement

Includes desk beam clearance kit (CHSP)

Compatible with T1 & T2 CPU holders

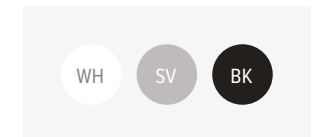

## DESK BEAM CLEARANCE KIT (CHSP)

Enables fixing to desktop around horizontal beams

Compatible with slide & turn kit

Compatible with T1 & T2 CPU holders
