

PRODUCT DATA SHEET

Double drop down cable tray & bracket for Adapt and Fuze desks 1200mm - white

ED12DCT-WH

Comprising a sturdy steel subframe and bench tops which take on a floating appearance, Adapt offers a clean and minimal look to the workplace. Desk legs can be shared, making it an aesthetically pleasing, cost effective and practical system for high density office spaces. The Adapt benching solution is a real stand out in the modern office environment.

PRODUCT FEATURES

- Shared cable tray which sits central to two back-to-back desks
- Cables can run between two trays for effective cable management and drops down for easy access
- Positioned under the desk so cables are out of the way but easily accessible
- Available in silver, white and black to match frame colours
