

PRODUCT DATA SHEET

Desktop clear acrylic screen topper with black brackets 1400mm wide

SE1400-CA-K

Screen toppers have been designed as an add-on to existing fabric or aluminium frame desktop screens to quickly, easily and at minimal cost convert your existing screen into barrier screens by adding 300mm of extra infection protection height to your office dividers. Supplied with 3 sturdy brackets and easy to install, and available as 5mm clear acrylic, easy-clean toppers, or as 5mm foamex panels with the choice of 3 biophilic designs.

PRODUCT FEATURES

- Add-on to the top of existing screens for increased height and increased protection
- Supplied with universal brackets to fit all existing screens
- Ensures users are separated but can maintain visual contact
- Clear screens, easy to maintain & supports anti-bacterial cleaning
- High screens to maintain social distancing guidelines and limit the risk of airborne germs between colleagues
- Protective screen solutions to help keep employees safe, healthy and improve wellbeing in the modern office
